

THE TOO TOUGH TO TAME STOCK CAR SERIES

...

The Shawano Speedway officially announces plans for Too Tough to Tame, a 4 race series featuring the IMCA Stock Cars for the upcoming 2024 season.

The dates are set for May 11th, June 8th, July 20th, and August 10th.

The feature each of these nights will pay \$1200 to win.

Entries are now being taken for Shawano Speedway's Too Tough To Tame Stock Car Series. There will be a one time \$50 entry fee. (\$40 if paid by 5-1) This fee will cover all 4 nights of the series and make you eligible for the series point fund. Drivers MUST BE ENTERED BY JUNE 8TH to be part of the point fund.

To enter please contact Ed Bertram at 715-823-5662 or 715-853-8097. Or e-mail edwardbertram@yahoo.com .

Heat/feature lineups will be draw-redraw. State and National points will be awarded, no track points. The point system used for the series point fund may be a little different than normal IMCA points. That system will be posted later.

A point fund is being put together for any driver that takes part in the series. A hefty goal has been set for this fund with the goal of drawing a stout field of stock cars for each of these 4 events.

In addition to point fund money, Buman Trucking, LLC has added a \$250 Hard Charger Award for all 4 series features.

Updates will be posted regularly as far as point fund or payout increases, sponsors coming on board, and drivers entered.

An additional "Dash for Cash" will be added to the show each night as well. The 6x6 dash will have a purse of \$900 and will pay the winner \$300. See Dash for Cash below. Too Tough to Tame is welcoming sponsors to make this series something special for this season and possibly something to build on in the future. Several different sponsorship packages are available.
